

10/5/07

Words can not express how thankful I am for the staff at Hanover Your Pet. I know when Stella is up there for either Day Care or Boarding that she is safe, having fun and loved. To pull up into the parking lot to see Stella playing and the staff loving on the dogs just thrills my heart.

By the time I pick up Stella, she is so exhausted that she can barely get to the car. I truly believe that Stella thinks Hanover Your Pet is her second home. All I have to say is "let's go" and she is waiting at the door ready to go to Day Care.

Thank you so much for providing a safe and fun place to play for Stella.

Sincerely,
Charlotte
